TRICARE Dental Program (TDP) Premiums Change in February

If you are enrolled in the TRICARE Dental Program, you may notice a small increase in your monthly premium beginning in February. Premiums for single active duty dependents will rise from \$9.07 to \$9.32 per month. Active duty family premiums will rise from \$22.66 to \$23.31 per month.

Family members of active duty military, as well as reservists and their family members may enroll in the TRICARE Dental Program (TDP) at any time. This paid dental insurance plan, managed by United Concordia Companies, Inc. (UCCI), helps offset out-of-pocket expenses for civilian dental care.

If you have questions about TRICARE Dental Program coverage, contact your local dental clinic or call TRICARE Europe at DSN 496-6358, civilian 49-(0)6302-67-6358. You may also send an email to TDP@europe.tricare.osd.mil.
